

"Because we honor families, we weave a fine fabric of security and acceptance for the children in our care."

Dear Parents,

Advance payment for the care your child will be receiving is expected. For example, the bill you receive Wednesday, December 22, 2010 is for the weeks of December 27, 2010 - January 7, 2011 and payment is due the first day of that billing period (December 27th). **Payments received after 6:15 pm the first Friday of the Billing Period will access a late fee of \$35.00** (December 31st in this example).

Tuition is due even if your child is absent from the Center for any reason. We run the Center solely on the tuition collected. We hope that you will realize the necessity for prompt payment. Below is the billing and payment schedule for 2011.
